I have discussed the potential issues from your email below with CCBC Highways / StreetWorks Department. They are the department that administers the process to get a Temporary Traffic Regulation Order (TTRO). Their view is that the TTRO for the road closures has gone through a regulated procedure which includes publicising the closure and the diversion route which includes the opportunity to object or comment. It is a legal procedure and the TTRO has been issued. What they are wary of is that if we introduce other measures this goes against the order and also could actually attract more traffic to use these rat runs. Having said that they have said that we should monitor the situation once the closures are in place and if there are issues or safety concerns we can discuss this again. 12.2 Mynwent Y Plwyf: Datganwyd pryder ynglyn a chyflwr y wal mewn rhai mannau. Penderfynwyd cael arolwg safle yn dilyn y Cyfarfod. Canlyniad i hyn oedd ##### 13.Materion yr Archwilydd Mewnol ac Allanol. 13.1 Cyflwynwyd Y Datganiadau uchod i'r Cyngor a gwelwyd adroddiad a sylwadau'r Archwilydd Mewnol.
